Dear St. Charles Parents,

As I watched the staff and students play together on the front yard yesterday afternoon, I saw just how ready they all were for summer. This is a sign of a good year.

Congratulations to our 8th graders who graduated last night. What a great evening to celebrate their years at St. Charles.

I had the chance to be with many of you at the State of the School Address and talk about the future. Many of you were not able to make it. I have a family and understand conflicts with schedules and sometimes just needing one night at home during the week. I'm going to send out a powerpoint with narration by June 15th, so that all who could not make it will be up to date on the exciting things going on next year and beyond. This will be sent electronically. Unfortunately, I will not be including the entertainment portion of the evening. You have to show up for that, or know someone who recorded it on their phone ;-)

Sometimes parents swing by to talk to me in the summer. I welcome these visits if there is anything you'd like to discuss with me. I take vacations in July, so June and August are best for me.

Thank you for choosing St. Charles for your child's education and have a wonderful summer with your family.

God bless you,
Danny Kieffer
Principal of St. Charles School
